# Ancestors of Jayla Reyanne Ross

## 11th Generation (8th Great-Grandparents)

**1536. Pieter Van Kuykendall** [43], son of **Leur Jacobsen Van Kuykendall** [11] and **Grietje Aertze Tack** [12], was born on 1 May 1698 in Rochester, Ulster County, New York, was christened \_\_\_\_-\_\_\_\_-\_\_\_\_ in \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, died in \_\_\_\_-\_\_\_\_-1799 in Port Jervis, Orange County, New York at age 101, and was buried \_\_\_\_-\_\_\_\_-\_\_\_\_ in \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_.

General Notes: When Peter was 2 years old his parents moved into the Minisink country to Machackemeck on the Delaware. In 1719 Peter married Femmetje Decker. Pieter owned a farm at Machackemeck, near the farm of his father-in-law. His place embraced the land comprising a large part of the present site of Port Jervis, N.Y. probably the valuable portion of the city. The land was originally purchased of a widow name Heleca Decker. she had bouth it from Josph Kirbride and Sarah Stevenson, of Bucks county, Pennsylvania.

Pieter Kuykendall's residence was located inside the present plat of Port Jervis, just at the edge of the first bench of above the "bottom." It was in this vicinity that Pieter was brought up from the time he was two years old. He he lived and died, and here lived also his son Peter, his grandson Elias and his great grandson Jacob. The place was in possession of the family for over one hundred and twenty-five years. It passed out of the family holding when Jacob sold it in 1840. Until within quite recent years, there was a barn upon the place that was built by Peter Kuykendall nearly one hundred years ago. At first the land was used exclusively for farming and stock raising. The old home place was covered with timber formerly, and had to be cleared before it could be farmed. As the country became more thickly settled, and there was more business and trade, there came a demand for better transportation facilities, then later, the Delaware and Hudson Canal was built, and there spring up a demand for building places. The old Pieter Kuykendall farm was thn laid out into town lots and streets.

Where the first old log cabin stood, and where the stockyard and pens for pigs, cattle and horses had been, and where corn, wheat and tobacco had been raised, all was laid out into building lots. The Canal with its tow path, ran along, closly skirting the base of the elevated knob, called "Point Peter," hugging the bluff, as it swept up the valley beyond the town plat. Lots were sold, new buildings began to cover over that part of the farm. Soon everything was entirely changed, and if today, old Pieter or any of his children could come back, they would not ecognize their old home. Looking at it today, on would hardly suppose that where there are lawns, dwellings and business houses, there had been a field and pastures, with haystacks, and that still earlier, there was a deep dark forest inhabited by wolves, bears and Lynxes.

It was around in this immediate neightbhood that a large number of the early descendants of old Pieer settled, raised families and died. Out from here there swarmed many of thos whose descendants are now found in all part of the country, from ocean to ocean.

It is quite likely that the first building erected at Machackemeck (now Port Jervis, N.Y.) was built at Carpenter's Point, or near there, but is is quite probable that the tavern kept by elder Pieter, and afterwards by his son Peter, was at the old home. This "Kuykendalls's Tavern" was probably the first in that part of the country. It was mentioned in old accounts as early as 761.

The Elder Pieter Kuykendal with his wife, Femmetje lived on the place they first bought until they died, and all their children were born there.

Pieter, was the first Justice of the Peace in the country there, of which there is any record. Here he conducted a farm, ran a tavern and was a prominent member of the Dutch Reformed Church, in which he was an elder and officer for many years. His family grew up and stood high in the community, and as his sons and daughters came to maturity they took an active epart in business and society, and were members of the of their father.

### 1858 - History of Deerpark

"It is now a few years over a century since the fall of the deepest snow ever known in this part of the country, and before it fell, Pieter Kuykendall and wife went to Esopus and left their children at home, where John Decker and his wife were to go daily and see them and render such assistance as would be necessary. Two or three days after they started this snow fell, and the morning after its falling. John Decker commenced to shovel and make a foot path through the snow to kuykendall's house. He worked all that day and the greatest part of the next, before he got to it, and found the door shut, so that the children could not get out of the house. The door opened to the outside, and the snow laid so deep against it that it could not be opened from the inside, before the snow was removed.

It is sprobable that they first settled as near to each other as the situations of ground and water would admit. No virtuals had been prepared for the children on the previous day, to serve them the next.

They contrived to get meal, mix it up with water, bak it some, on the hearth before th fire, and lived on it until otherwise provided for."
